

Girl Scouts of San Jacinto Council

★ GREEN STARLETTES DRILL TEAM ★

The Girl Scout of San Jacinto Council founded the Green Starlettes Drill Team in 1993. We have 12 Divisions in and around Houston, including Nacogdoches, Huntsville, Lufkin & Beaumont. The purpose of the Green Starlettes Drill Team is to build self-esteem & confidence in a fun dance environment. There are no try-outs to join the Green Starlettes Drill Team, any girl in grades 4th - 12th grades can join. The Green Starlettes creates a non-competitive atmosphere for the girls to practice dance techniques, team spirit and valuable leadership skills.. Teams meet once a week to practice dance routines and discuss upcoming performances & events. The Green Starlettes Drill Team is not a Girl Scout Troop; however registration with the Girl Scouts of San Jacinto Council is required to be a member of the Drill Team.
